The Shepherd's Guide logo appearing in an ad indicates that the owner of the business (or advertiser) has signed this statement of faith:

I have received Jesus Christ as my personal Savior, and my desire is to live my life for His Glory. I have been born again according to John 3:3 which states, "...except a man be born again, he cannot see the Kingdom of God." The Shepherd's Guide

Christian Business and Ministry Directory

WINDSOR & ESSEX COUNTY

IN SOUTHWESTERN ONTARIO

In 2016, The Shepherd's Guide of Windsor & Essex County produced a record publication of the area. Between the printed copy and the online usage, we feel good about being involved in God's Ministry. It still amazes me the number of people who are just now finding out about this Christian Business and Ministry Directory, which has been around 18 years in this area. I hope you help spread the word and pass out books whenever the chance comes along.

Besides distributing through Churches and businesses, etc..., in 2016 we also passed out 5000 copies of The Shepherd's Guide, as we were involved in 23 parades throughout the Windsor & Essex County.

Dave & Linda Szusz - Publishers

We are excited to be sponsoring events through 2017/2018, and would love to invite you to attend. Visit our events page at www.son-parlour.com, or feel free to call us with any questions you may have. I trust you understand, this is a Ministry as well as a business and any help we can get from you is much appreciated. How? Spread the Word to and through your friends and family.

Our print date is later this year for numerous reasons. One reason is that Dave was in the hospital. God performed another miracle in his life and if you know his story he has had many miracles. He is on the road to recovery and we would appreciate your prayers. This Summer 2017 - Summer 2018 Shepherd's Guide will still run for a full year. as well as all future years.

Thank you for your prayers and support and I pray God will bless each and every one of you.

"Thank You for being my wonderful search angel and filling a huge empty hole in my heart and in my life. The dedication that you devoted, allowing me to find my birth family has been priceless.

I searched myself for over 30 years but your amazing skills and intuition were successful in just a few short days. You have also been successful in helping others that I have recommended you to. There are those of the opinion that adoptees should not search for their birth family. I know that these people have no idea of the emptiness and pain that many of us "with no roots feel", whether it be for medical or emotional needs. Thank You again for devoting your time and your amazing research skills to those of us who may otherwise never achieve any results in our search."

Cathy

"I had been looking for my biological dad since I was 16. I found Tracy through a lost family page on Facebook in June 2015. After 3 days of speaking with Tracey and giving her what little information I had she found my biological grandfather.

We made a call to him and found my dad the same day.

I can not thank Tracey enough for the work she does.

I now have a great relationship with my dad and his wife and I'm getting to know my two sisters and brother. I can not thank her enough for what she did for me.

After 33 years I have my dad in my life and my kids have a wonderful grandfather to grow up with."

Sabrina M.

"Hi Tracey, I just want to take this opportunity to thank you for giving me all the answers I've have needed about my adoption. As I told you I have wondered and searched for almost 30 years since the records in Ontario were opened. I had given up after the last visit to Canada, especially after the adoption conference I attended. I do believe God sent me to you on that fateful night in July.

You were so kind and thoughtful, especially, having to tell me that my mother had died.

Your insight as to why no one had looked for me was spot on, and I am so grateful you knew how to take me thru the channels of putting me in touch with my cousin Judy.

I know this was God sent and I do believe he has given you a gift. Words will never be enough for me to express how eternally grateful I am, and I keep you in my prayers each and every nite. Thank you for what you do, amen.

Best regards and lots of love"

Kathleen

A Hearty Welcome to You!

If you are new to the area, or are looking for a church to call home, give us a try.

If you attend a Church that has Sunday Morning Services, and are looking for something to do on Sunday Evenings, Feel Free to Come and Visit us, as we Bless the Lord during our Old Fashion Praise & Worship Service.

You will also hear the Inspired Word of God, as our Pastor shares from God's Word.

Your Choice of Location, We Come to You...

About Kenzie Hennessy:

Kenzie is a 24 year old enthusiastic person living his dream and trying to help others fulfill theirs.

He is highly committed to the sport, and in 8 short years' has advanced to the professional level of racing.

Because of Kenzie's professionalism and positive attitude, on and off the track, we at The Shepherd's Guide, have chosen to sponsor him as he strives to attain his goals and dreams.

Expanding on his passion for racing, Kenzie has begun training in-experienced riders all the way through to a group of experienced racers interested in learning all of the skills required in the demanding sport of Motorcross.

Kenzie's interest also is to work with kids and Youth groups as they learn the importance of living a Christian life in the sports world.

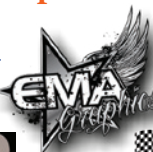

This type of ministry is impossible to do on his own, (financially) as an individual at his age.

KENZIE IS LOOKING FOR SPONSORS (large or small) who would like to join with the other sponsors below. *Contact us at: The Shepherd's Guide at 519-562-4799 or contact Kenzie directly.(Info Below)*

"At just 7 years old, Kandrea Szusz was probably the youngest motorcyclist to attend the Blessing of the Bikes at Kingsville's Lutheran Church on May 7. The youngest races motocross throughout Ontario and was thrilled to be a part of the event." - Southpoint Sun

Elementary & Secondary Education for Grades JK to Grade 12

Our Mission Statement:

In Accordance with God's will and in obedience to his word, our mission as a Christian community is to work in unity to educate our children in a bible-based environment which promotes and nurtures excellence in academics, christian conduct, service for God, knowledge of God, and the development of mature christian youths.

Providing Excellence in Education

Our elementary division provides education from Junior Kindergarten through grade eight using a well integrated curriculum which meets (and in many areas exceeds) the basic requirements of the Ontario Ministry of Education's Common Curriculum.

Our curriculum includes formal spelling and grammar, a phonetic approach to reading, Bible, math, social studies, science, physical education, French, art and music.

Our secondary division offers courses that lead to the Ontario Secondary School Diploma.

Courses offered are in excess of 110 hours to qualify and the school is inspected bi-annually by officials from the Ministry of Education and Training.

The curriculum is achievable but challenging and our students have benefited greatly from an atmosphere that encourages a culture of learning.

All subjects are taught from a Christian perspective, but not from any denominational point of view.

Christian consumers want to support you and benefit from doing business with advertisers who make this pledge:

I have received Jesus Christ as my personal Saviour, and my desire is to live my life for His glory.

I have been born again according to John 3:3 which states, "...except a man be born again, he cannot see the Kingdom of God." I pledge to hold the highest Biblical code of ethics in my business transactions. It is my ambition to treat my clients with the utmost respect and integrity.
